

How Our Signature Itineraries Work

Chimu's new signature range has been carefully designed to make planning an upmarket South American adventure easy. Simply select from one of Chimu's six Signature South America itineraries (Peru, Galapagos, Patagonia, Buenos Aires to Rio, Salt Flats or the full South American Circle) and tailor your itinerary with extensions before or after their tour to create a more in-depth experience.

All itineraries are carefully crafted to showcase the best of the destination, with authentic and highly-rated hotels and exclusive Chimu features to help guests discover the history, culture, and cuisine of the region.
